## ABOUT US

企业简介

Xiamen SRS Stone is a leading stone manufacturer established in 2006, located in the stone hometown, Xiamen & Shuitou. For nearly 20 years we have been focusing on manufacturing and exporting high-quality products worldwide, including Quartz Stone, Nano Glass, Sintered Stone, Artificial Marble, Natural Marble and Granite etc. Products are widely used in building materials external walls and interior decoration, excellent performance, parameters, convenient construction, superior cost-effective, long-term use and low-carbon environmental performance.

With the fast development of our company, we gave SRS a better meaning: S-Superior, R-Reliable, S-Sincere. We assure our clients of top quality products under different market requirements, best prices, timely delivery and best services. It is our great pleasure to see many new customers become our regular partners and grow together. We sincerely invite new and old customers to visit us.
